The Academy of Scientific Research and The Egyptian inventors
Union Establish The

2nd Innovation and Invention Exhibition: Innov Tech

National Research Centre

17-18 Oct., 2010

Egyptian inventors from

Universities, Research centers, companies and individuals are invited

To represent their prototypes and Researches of their inventions in this exhibition, this includes investors, industrialists and businessmen and scholars as an initiative of the Academy of Scientific Research and the Egyptians Inventors Union for spreading the culture of innovation and invention and contributes to marketing the valuable applied inventions

Advantages:

- 1 - Acceptable initial models are displayed free of charge.
- 2 - Card for each invention will be published in a book and CD-ROM distributed to all participants.
- 3 - The top three inventions will be awarded cash prizes and certificates of appreciation according to scientific and economic arbitration.
- 4 - Organizing committee offers all exhibitors nominal financial reward
- 5 - Book Fair will be published on the websites of the Academy of Scientific

Research and the Egyptian Inventors Union and the National Research Center.

Deadline for submission of abstracts: 1st October, 2010

A summary of one page in Arabic , contains:

- 1 - the name of the invention in Arabic and English
- 2 - The inventor's name, address and E-mail
- 3 - A brief description of the invention
- 4 - Photo of the prototype (600*800)
