

The Egyptian Society for Bio-Anthropological Sciences

The Egyptian Society for Bio-Anthropological Sciences was declared by the decree No. 12 in 1988 issued by Wailie Directorate for Social Affairs, in Cairo, issued on 7/5/1988, under number 3557. Initially it was situated in the Department of Community Medicine, Faculty of Medicine, Ain Shams University.

Founding members

1. Prof. Dr./ Zaghoul Younis Mahran
2. Prof. Dr./ Aly Abdel Aziz El-Nofely
3. Prof. Dr./ Aly Abdel Hady Massoud
4. Prof. Dr./ Ahmed Sami Khalifa
5. Prof. Dr./ Mohammed Fawzy Gaballah
6. Prof. Dr./ Ratiba Abdel Malek Ghaly
7. Prof. Dr./ Fouad Mohammed Badr
8. Prof. Dr./ Mohamed Salah El Neklawy
9. Prof. Dr./ Abdel Wanis Amin Al-Awdan

Fields: scientific and cultural services

Goals:

1. Encouraging scientific research in all fields of biological anthropology, and with particular focusing on Egyptians, from biological and health aspects and their relationship to their environment.
2. Taking into consideration that the human as a biological organism, under health and disease conditions, is the product of geographic, social and biological environments, in which he lives. The Egyptian Society for Bio-Anthropological Sciences seeks to stimulate communication and interaction between scholars working and studying the biological aspects of the Egyptians on the one hand and those working with and studying health aspects on the other hand.
3. Encouraging the exchange of scientific information, about the human and his relationship to his environment, between the different peoples and nations of the world, through:
 - Holding limited scientific conferences and symposia, and inviting specialists, either members of the Society or outsiders (external), after counseling the relevant authorities.
 - Hosting and organizing international and regional local conferences, symposia and seminars.
 - Encouraging the exchange of scientific publishing with similar Societies and associations in other countries after counseling the relevant authorities.
 - Representing the Society in the international scientific conferences and sending participants.

4. Contribution, participation and seeking ways to facilitate publishing the results of the scientific studies related to biological anthropology of both regional (local) and international scientific studies and subsequent publishing specialized scientific journal (periodical) after counseling the relevant authorities.
5. Communicating the results of these studies and in particular the applied ones to private executive bodies to consider the possibility of taking advantage of them, when planning for what concerns the Egyptians.
6. The specific objective of The Egyptian Society for Bio-Anthropological Sciences is to increase the specialized knowledge about the biology of the Egyptian and the relationship between him and the surrounding human groups, and human beings in general, and to clarify the practical aspects of this knowledge for the development of the Egyptian and to raise his physical efficiency.

Membership fee: The Egyptian Society for Bio-Anthropological Sciences: 30 LE.

Conferences registration fee: varies from year to year, up to 100 LE.

Annual subscription fee: 20 LE.

The beginning of the financial year: 1/1 and ends on 31/12 of each year.

The number of members of “The Egyptian Society for Bio-Anthropological Sciences”
is >200 members.

The number of conferences that have been held so far is 22 conferences.

Current board consists of nine members:

1. Prof. Dr./ Aly Abdel Aziz El-Nofely (president of the Society)
2. Prof. Dr./ Ali El-Mekkawy (Vice-President)
3. Prof. Dr./ Nayera El-Morsi (a Secretary-General)
4. Prof. Dr./ Wafaa Kandeel (treasurer)
5. Prof. Dr./ Ashraf Shaalan (Member)
6. Prof. Dr./ Nadia kotb (Member)
7. Prof. Dr./ Sahar Abdel Raouf El-Masry (Member)
8. Prof. Dr./ Rokia Abdel Shafi El-Banna
9. Prof. Dr./ Muhammad Al-Tohamy Soliman (Secretary-General Assistant)

Note:

* During February 2009 and based on a prior approval from the “General Assembly” the location of “The Egyptian Society for Bio-Anthropological Sciences” was moved from the Department of Community Medicine, Ain Shams University to the Department of Biological Anthropology - National Research Centre - El Behooth - Dokki – Giza, Dokki department for social solidarity, and it was amended No. 3331.

* Please find attached CVs for some members of “The Egyptian Society for Bio-Anthropological Sciences”.

نبذة عن الجمعية المصرية لعلوم الأنثروبولوجيا البيولوجية

تم اشهار الجمعية المصرية لعلوم الأنثروبولوجيا البيولوجية بالقرار رقم 12 لسنة 1988 الصادر من مديرية الوايلي للشئون الإجتماعية بالقاهرة بتاريخ 1988/5/7 تحت رقم 3557 – القاهرة، وأخذت في بادىء الأمر من قسم طب المجتمع بكلية الطب –جامعة عين شمس مقرا لها .

الأعضاء المؤسسين

- 1- ا.د/ زغلول يونس مهران
- 2- ا.د/ علي عبد العزيز النفيلي
- 3- ا.د/ علي عبد الهادي مسعود
- 4- ا.د./ أحمد سامى خليفة
- 5- ا.د/ محمد فوزي جاب الله
- 6 - ا.د/ رتيبة عبد الملك غالي
- 7- ا.د/ فؤاد محمد بدر
- 8- ا.د/ محمد صلاح النكلاوي
- 9- ا.د/ عبد الونيس أمين الأودن

ميادين عمل الجمعية : الخدمات الثقافية والعلمية

أهداف الجمعية :

1. تشجيع البحوث العلمية في جميع مجالات الأنثروبولوجيا البيولوجية وبتركيز خاص على الإنسان المصري من الناحية البيولوجية والصحية وعلاقته ببيئته .
2. مع الأخذ في الإعتبار أن الإنسان بيولوجياً سواء في الصحة والمرض هوننتاج البيئة الجغرافية والإجتماعية والبيولوجية التي يعيش فيها فإن الجمعية تسعى لتنشيط الإتصال والتفاعل بين المشتغلين بالجوانب البيولوجية للإنسان المصري من جهة والمشتغلين بالجوانب الصحية من جهة أخرى .
3. تشجيع تبادل المعلومات العلمية عن الإنسان وعلاقته ببيئته بين شعوب العالم المختلفة وذلك عن طريق :
- إقامة المؤتمرات والندوات العلمية المحدودة مع دعوة أخصائيين من داخل الجمعية أو خارجها بعد الرجوع الى الجهات المختصة .
- استضافة وتنظيم المؤتمرات والندوات العلمية الدولية والإقليمية .
- تشجيع تبادل النشر العلمي مع الجمعيات المماثلة في الدول الأخرى بعد الرجوع الى الجهات المختصة .
- تمثيل الجمعية في المؤتمرات العلمية الدولية وارسال مندوبين للمشاركة .
- 4 - المساهمة والسعي لتسهيل ونشر نتائج الدراسات المتصلة بالأنثروبولوجيا البيولوجية في دراسات علمية اقليمية ودولية وما يتبع ذلك من اصدار دورية علمية متخصصة بعد الرجوع الى الجهات المختصة .
- 5- توصيل نتائج هذه الدراسات وخاصة التطبيقية منها الى الجهات التنفيذية للنظر في امكان الإستفادة منها عند التخطيط لما يمس الإنسان المصري .
- 6- الهدف النوعي للجمعية هو زيادة المعرفة المتخصصة عن الإنسان المصري بيولوجيا وعلاقته بالمجموعات البشرية المحيطة به وبالإنسان عامة وتوضيح الجوانب التطبيقية لهذه المعرفة في تطوير الإنسان المصري ورفع كفائه الفيزيقية .

رسم الإنضمام في الجمعية : ثلاثون جنيهاً مصرية

رسم الإشتراك في مؤتمرات الجمعية : يختلف من عام الى آخر بحد أقصى مائة جنيهاً

قيمة الإشتراك السنوي : عشرون جنيهاً

بداية السنة المالية : 1/1 وتنتهي في 12/31 من كل عام

عدد أعضاء الجمعية : أكثر من 200 عضو

عدد المؤتمرات التي تم عقدها حتى الآن (إثنان و عشرون مؤتمراً)

مجلس الإدارة الحالي يتكون من تسعة أعضاء وهم :

1- ا.د/ علي النفيلي (رئيساً للجمعية)

2- ا.د/ على المكاوي (نائباً للرئيس)

3- ا.د/ نيرة المرسي (أميناً عاماً)

4- ا.د/ وفاء قنديل (أميناً للصندوق)

5- ا.د/ أشرف شعلان (عضواً)

6- ا.د / نادية قطب (عضواً)

7- ا.د/ سحر عبد الرؤوف المصري (عضواً)

8- ا.د / رقية عبد الشافي سليمان البنا (عضواً)

9 - ا.د / محمد التهامي سليمان (أميناً عام مساعد)

ملحوظة :

* خلال شهر فبراير 2009 وبناء على موافقة سابقة من الجمعية العمومية تم نقل مقر الجمعية من

قسم طب المجتمع بطب عين شمس الى قسم الأنثروبولوجيا البيولوجية – المركز القومي للبحوث – ش

البحوث – الدقي – جيزة التابع لإدارة الدقي للتضامن الإجتماعي وتم تعديل رقم إشارها ليصبح 3331

جيزة.

*مرفق طيه السيرة الذاتية لبعض أعضاء الجمعية.

BIOGRAPHICAL SKETCH

NAME ALY ABDEL AZIZ EL-NOFELY	POSITION TITLE Emeritus Research Professor, Biological Anthropology		
Date of Birth: 18 January 1937	Address: National Research Centre, El-Bohooth str., Dokki, Cairo , Egypt A.R.		
Email: elnofely@hotmail.com	Tel: home: 202 33375731 Mobile: 012 4440605		
Degrees			
INSTITUTION AND LOCATION	DEGREE	YEAR(s)	FIELD OF STUDY
Faculty of Oral and Dental Medicine,Cairo University	B.D.S..	1958	Oral and Dental Medicine and Surgery
Central Institute of Advanced Medical Studies, Moscow, USSR	Ph. D.	1965	Dentofacial Orthopedics
C.I.A.M.S. USSR	D. Sc.	1966	Medical Sciences

Previous Position

Head, Medical Researches Division,(three cycles)
Head, Basic Medical Sciences Lab.
Res. Prof of Biological Anthropology, 1977.
Ass. Res. Prof. Biol. Anthropology ,1972
Researcher of Facial Morphology and Anthropology,1966.

Publications (just numbers):

International: 35 papers

Local: 14

Regional 6:

Presentations in Conferences: 57

Books & Articles: Three books, and one chapter.

38 articles in Mass media

Other Experience

Member of more than 15 national and international scientific societies

Elected member of the governing council of the European Anthropological Society

Sec.gen. of the Egyptian Society of Bio-Anthropological Sciences (about 20 years)

President of the Egyptian Society of Bio-Anthropological Sciences since 2008.

Member of some State Scientific Committees

Member of some other committees at the level of NRC

Member of the editorial board of some Intern. and local Scientific periodicals

Visiting prof. and lecturer in some Universities abroad (Europe, Asia,USA,Latin America)

BIOGRAPHICAL SKETCH

NAME Shaalan, Ashraf H.	POSITION TITLE Professor of Biological Anthropology, President of National Research Centre
Date of Birth: Aug. 23, 1959	Address: National Research Centre, El-Bohooth St.(El-Tahrir previously), Dokki, Giza, Egypt
Email: ashrafshaalan@hotmail.com	Tel:+ 2010 140 2126

Previous Position

1987 –1990	Assistant Researcher Of Biological anthropology, Basic Medical Sciences Dept., Medical Research Division, National Research Center, Egypt.
1990-1994	Researcher Assistant Of Biological anthropology, Basic Medical Sciences Dept., Medical Research Division, National Research Center, Egypt.
1994-1999	Researcher Of Biological anthropology Basic Medical Sciences Dept., Medical Research Division, National Research Center, Egypt.
1999-2004	Assistant Researcher Professor Of Biological anthropology, Basic Medical Sciences Dept., Medical Research Division, National Research Center, Egypt.
2004 till now	Research Professor of Biological anthropology, Biological anthropology Department, Medical Research Division, National Research Centre.
2006-2008	Member of the Monitoring and Evaluation Office, National Research Centre-Cairo.
2008 till now	Head of Biological anthropology, Dept., National Research Centre, Cairo, Egypt.
2012	Member of the Permanent Committee of Basic Medical Sciences

Publications (just numbers):

International: 22

National: 30

Regional:

Presentations in Conferences: 10 international and 48 national.

Books & Articles: 4

Research interests:

General pediatrics, Biological anthropology Research, Child Growth and Development, Nutrition Assessment using Bio-anthropology, Obesity Assessment and Intervention, Body Composition, Bone Density, Studying different environmental factors and their effect on health and growth specially e.g. fetomaternal aspect, Child health, Growth, Nutrition, Obesity.....

Field Work Experience:

A) Accomplishment in the field of Biological anthropology:

Scientific Projects:

1-Local: **Twelve projects**- Four as Principle investigator, Three as Co- principle investigator and Five as a Member,

2- International: **Five projects.**

Supervision of the following theses:

1- **M.Sc.:** Ten theses- seven ended and three still running.

2- **Ph.D:** Two theses- still running.

3- **M.D:** Three theses- one ended and two still running.

Participation in Conferences and Meetings:

1-International: Seven conferences in Austria, Spain, Germany , Libya and Egypt.

2- Local : Sixty eight conferences, mainly conferences of anthropology, pediatrics, endocrinology.....

3- Workshops and Training courses : Forty five.

Patent Invention:

Three were admitted:

1- Head circumference reference data for Egyptian children and adolescents.

2- Weight for height percentile curves of Egyptian children.

3- Validity of Convenient indicators of obesity.

Scientific Mission:

To Italy, Piza University Hospital during IRSES Program- Call ID "FP7-People- IRSES-2009. From 1/ 6/ 2010 till 30/ 6/ 2010

Sharing in many scientific assessment:

For fulfilling assessment professor and professor degrees.

Discussion of many Theses for fulfilling M.Sc. and M.D degrees.

B) Other Accomplishment :

Special Services Units:

Head of growth and body composition section, Medical Services Unit, National Research Centre-Cairo.

Scientific Committee:

- An expert in the Seventh Research Framework Programme (EC FP7 IT HELPDESK), 2009.

- Member in Society for Women in Science in Developing Countries- Egypt, since it is originated, 2009.

- Member in the Scientific Board of the Journal of the Arab Society for Medical Research- National Research Centre- Cairo- Egypt, 2009.
- Secretary General of the Egyptian Society of Bio-anthropological Sciences, since, 2008.
- Member of the committee of the scientific registration of the Medical Division since Aug, 2008.
 - Member of Governing board of the committee of Egyptian Society of Bio-anthropological Sciences since 1999 till November, 2008.
 - Head of the committee of the scientific, cultural and international relationship of the Medical Division (2006-2007).
- Member of the committee of the scientific services of the Medical Division (2002-2003).
- Member of the committee of the scientific, cultural and international relationship of the Medical Division (2003-2004).
- Member in the Arab Society for Medical Research- National Research Centre- Cairo- Egypt, since it is originated 2004.
- Member in the Egyptian Medical Association for the Study of obesity, since, 2010.
- Member of the committee of assessment and following scientific registrations of the National Research Centre- Cairo- Egypt, since, 2011.
 - Member of Bioethics Network on Women's Issues in the Arab Region
 - Member in the Board of the Journal of the Arab Society for Medical Research- National Research Centre- Cairo- Egypt
- Member in the Editorial Board of Journal of Life Sciences (ISSN1934-7391), USA

Organizing Conferences:

Shared in organizing more than thirteen conferences in and out National Research Centre.

Editorial Experience:

Book titled: Standards of Egyptian anthropometric measurements during the last two decades.

Honorarys and awards :

The applicant was granted the following awards of recognition:

- 1) Award in Recognition of actively participating in the 1st-Conjoint Workshop between Society for Women in Science in Developing Countries- Egypt and National Research Centre, March , 2009.
- 2) Award of Recognition from Giza Medical Syndicate.
- 3) The Award of Recognition from the High Institute of Childhood Post Graduate Studies, Ain-Shams University

Last 5 Published Papers:

1. Hassan, NE, El-masry, SA , Fouad,WA, Sherif, L, Elwakkad,A, Mona Anwar,M, Zaki , ST. Prevalence of metabolic syndrome among obese School Students. e-SPEN Journal (the European e-Journal of Clinical Nutrition and Metabolism), 6 : 248-252, 2011.
